HNC may get seats at stadium

Bleachers for Hancock North Central School's football stadium may be installed in time for this fall's gridiron card if the county board of education can arrange satisfactory financing.

HNC Principal J. D. Penton presented the proposal to the board or its meeting Monday. estimating it would cost about \$9,100 to provide 750 seats on the home side and 400 for vasinors.

Beat 5 Trustee E. P. Ortice suggested inspecting the new Bay St. Louis and Pass Christian bleachers and trying to set up a payment schedule so bids could be sought for opening at the first August meeting.

Penton observed that while lighting the field last year had enabled the school to play home games, facilities for seating are needed to attract sufficient crowds to make the sport more self-supporting.

Also on matters related to Hancock North Central the board sought bids for a tractor-mower and instructed Penton to explore all possibilities to secure additional faculty housing.

The school principal cited dif-

ficulty getting the campus 30 balance of only \$5,604,46. grounds mowed at present and Beat 4's road and bridge maintenance fund was in even worse (Cont. on Page 6.) Qualified voters reach peak, lists close Sat.

in Hancock County for the Aug. 6 Democratic primary may run 1. close to 1,000 more than four years ago by the time registration closes this Saturday.

That's the estimate of Circuit Clerk Lamar Ods as he anmoved there were 6,633 qualifiled voters checked by the County Blection Commission upon completion of its voter purge some two weeks ago. That's more than 500 more than were eligible to go to the polls in the Democratic primaries of 1959. And he already has picked up at least 200 adcounty precincts and through ros- Hall 354, and South Bay 590. ditional voters in his tour of the

Legalities delay Bay, Webre threatens suit

for Bay St. Louis was postponed Monday by commission council until the ordinance can be redrafted to eliminate some legal objections raised by Dan M. Rus-

sell, jr., city attorney. Meanwhile at the meeting Wilson W. Webre announced his intention of fighting the proposed regulations in court unless his property on North Beach Boulevard immediately south of U. S. 90 is reclassified. As proposed by the planning commisoion the water side of Beach Boulevard at that point is R-5 and the west side is R-3.

Webre, who appeared with his attorney, Michael D. Hans, first asked the board to zone this property R-3, the residential classification on which motel and hotels can be built if the plans are coproved, but later argued for B-2 classification for both his property and all that along the high-

Legion's fair big attraction for the Fourth

The American Legion's anmual Fourth of July fair to raise funds for its children's Christmas party will supply the main local entertainment for the holiday weekend, beginning at 5 p.m. moday through Saturday.

In charge of the assorted booths will be Felix Seeger, Henry Capdepon, Gordon Romanoff, Joe Benvenum, Tom Logue, Lavern Pahlman, Clude Craig, Arthur Miller, Ed Werling, Hugh Sanford, John Wilkerson, Lewis Hart, Bill Johnston, Mrs. George Hill, Mrs. Henry Capdepon, Mrs. Jake Morreale, Jeanne Rutherford and Sue Ann Buehler.

D. W. North is general chairman with John D. Rutherford, jr., co-chairman, Food and beverage booths open at 11 a.m. today only. A fish fry highlights Friday's program at 5 p.m. and a gala lireworks display is set onnight. Events are on the Legion

Adoption of zoning regulations way. However, he said he would eccept the R-3 closeification for all his property and not go to

To council Webre contended that Hancock County needs to build up tourist facilities to keep business and money from going to Harrison County and that the highway is not suitable for residential purposes. He also said he had purchased part of his proparty in 1961 with the canounced intention of building a motel there, something not permitted

(Cont. on Page 6.) Dedicate new

church Sunday at Lakeshore

Dedication of the new St. John o Catholic Church in Lakeshore vall be at 5 p.m. Sunday with Bishop Joseph Brunini officiating. A reception will follow in the parish hall.

Construction of the new building began Easter. The structure features contemporary archinecture and will seat 250 people. The old building will be moved to the rear of the church property for use as a parish hall.

The original church was built in the late 1800's, it was a mission church under Bay St. Louis parish, and Father LeDuc was the pastor. In 1907 the church was rebuilt and again in 1930 ofter weathering two hurricanes.

St. John's has been a mission church since its establish ment. It has been under Bay St. Louis and Waveland parishes, Holy Cross Fathers, and Trinitarian Fathers, and is at present under St. Joseph's in Pearlingon, Rev. Canicius Hayes is pas-

effect in Waveland, Tuesday night the mayor and board of Aldermen adopted without change the proposal of the town's planning commission. Wavelend thus becomes the

first political sub-division in the county to adopt zoning, Bay St. Louis proposed ordinance is pending before Commission Council and the County board of repervisors, while interviewing cavoral prospective planning consultants, has put the metter off despite repeated urging by NASA

representatives. With one change the ordinance as passed is essentially the same as the one on which a public hearing was held Feb. 8. At that time the only public objection voiced was to a two and onehalf foot height limitation on side and front fences. This was changed to four and one-half feet.

Alderman Dominick Sonier of first objected to adopting the ordinance until sub-division regulations were ready for passage, but withdrew his opposition when it was pointed out that sub-division regulations were a separate matter although future sub-divisions would have to conform to the zoning rules. W. Ray Gordon for the planning commission also stressed that several months had elepsed since the commission had made its final recommendation,

Rev. John O'Brien, pastor of St. Clare's Catholic Church, asked the board to consider giving a lower gas rate to all churches in the municipality. Immediate reason for the request is the installation of a 2,500,000 BTU gas unit at the church, according to Henry L. Develle, jr., who also sought the change in rates for the churches. Others in the delegation were Charles Perry, Dr. O. J. Mollere, Edward LeVasseur

and John F. Auderer, jr. The board indicated that it into the town's cost of providing

the fuel. An offer of \$50 for a 60x150 foot lot on Dogwood Avenue was surned down by the board. The property was acquired by the (Cont. on Page 6.)

Estered as second-class matter at the Post Office at Bay St Louis Miss, Under the Act of March 3, 1879

Job finished

When the Rural Electrification Administration was created on May 11, 1935, only about 10 farms per 100 had electric power. Now, thanks primarily to the local electric co-operatives such as our Coast Electric Power Association over 98 out of every 100 farms have electricity, although about 45 per cent of the farms are served by public utility power companies. These co-ops have been able to accomplish their part in this transformation of our rural areas through federal financing at low rates, presently 2 per cent a year on a 35-year loan, federal and state tax exemption, and generally the lack of regulation such as the power companies have.

Now as some of our rural areas become less rural, the electric utilities seem to feel that the co-ops should give up the geographical area they have helped develop on the one hand while the federal Rural Electrification Administration keeps seeking congressional authority so that it can help finance co-op ventures into areas not heretofore considered rural.

There are other areas of conflict between the co-ops, spurred by Uncle Sam through REA, and the regulated power companies. These include such things as a co-op being able to borrow the 2 per cent federal money to help finance a business to locate in the co-ops area. where a co-op can give it preferential treatment, while the utility, with its earnings limited by state and federal regulation, pays about 6 per cent on its bonds and cannot play lavorites in order to attract customers.

Increasingly the REA, headed by JFK's appointee, three time loser for a congressional seat, Mr. Norman Clapp, seems bent on using federal funds through local co-ops to force the tax-paying public utility power companies to the wall. While the big majority of the ownerusers of co-ops would be genuinely hornified if they were accused of being socialists, it is nevertheless a fact that the trend in REA actions and in the words used by its head can be legitimately called socialistic.

Now that the co-ops have grown up it seems to us that a fresh look at many of their advantages is past due, although for the present they probably still need some of them. We don't profess to know all the answers to some of the complicated aspects of the problem but one thing seems obvious. With electrification of better than 98 per cent of our farms long since completed there is no need for a Rural Electrification Administration. If no need, the answer is simple. Get rid of it and now.

A bureau foreign to the American concept of both free enterprise and fair play would leave our scene, and think of all the money the tax payers would save.

Ironic

This week's issue of Dow Jones' The National Observer reports that on June 19 three major negro leaders. NAACP's Roy Wilkins, CORE's James Farmer and Whitney Young of the Urban League, explained to a wealthy group in New York that the negro revolt they had encouraged was in "serious danger of getting out of hand" Their solution: give us more money.

At the meeting they got \$550,000 with more than \$300,000 reportedly secured shortly afterwards, a major part from three tax free so called philanthropic "foundations"-Ford. Rockefeller and Taconic. This is irony

Irony humber two is the judgement of these "brains". Raising more money for leaders the by their own statement have caused the trouble they hope to stop.

Monday our board of supervisors had another secret session again on motion of Supervisor Harlan G. Dean. Of course we don't know what it was all about since the Echo sieborter was excluded.

The two persons, other than officials, who were permitted to stay with our supervisors left the room complete with helmets and what looked like night sticks. They are said to be salesmen.

You draw your conclusion. We can think of horrible

PO TIMES

Mrs. Edward Perry promis a low set of 74 to win ladies day Sonors Tuesday at Pass Christion lakes Golf Club and tied with Man John McDonald for box

field entered its peak season riding the wave of a sizeable volume of contracts awarded since the beginning of the year, and with new housing starts running at a mear-peak rate.

The strength underlying the business upsurge of the past three months exceeded most expectaclons. This shows the effect of even a relatively conservative cancumt of strike-hedge inventory which is operating at a high level. Now that the threat of a steel strike has been eliminated, and the danger of a rail strike of disrupting proportion is fading into improbability, steel demand and production are likely to conwect until stockpiles are worked off. Currently high rates of comsumption, however, should hasten the process and minimize the coverse effects. The favorable day with a 5-4 victory over Youth level of new cars in dealers' Center of City Ball Park in the hands indicates a smooth and have game exheduled. By Gone Days

25 YEARS AGO

July 1, 1936 - Fred L. Herliky has been appointed new!!ancock County rural mail carrier replacing the late Marray T. Begnard, Other changes assumeed by Postmaster Leo G. Fordinchade the promotion of Joseph Scalide to regular clerk and of Andy J. Becker to substitute ciert.

10 YEARS ACO

July 3, 1953 - The PinkHouse Cabaret, a minstrel with professional entertainment, will be produced Thursday and Priday by the Laymen's League of Christ Episcopal Church, Mrs. T. A. Quigley, jr., in in charge of stage

one to examine. Adults are brown to black in color, a bout one-quarter inch long, and have whitish wings which are folded over. They hover at ground level where they suck juices from stems. Discolored

patches of turf are a sign that

they're present. Grass first

turns yellow, then brown. Formulations containing othica, a basic pesticide chemical, have proven highly effective in curbing chinch bugs. Marketed under many different brand names, ethioncontaining compounds are available both in spray and granular forms.

Begin applications promptly once you know chinch bugs are present they spread

rapidly. Even if you don't spot any in VOUL OWN yard, but you know they're in the neighborhood, it's wise to take action. And whatever chemical formulation you use, follow label instructions to the letter for pafest and best results.

Bay delay ...

(Cont. from Page L) on R-5 land, which is only useable for open beach purposes, He also stated that his property is an ideal location for a motel, since it is on the water and the last section of land before the Bay bridge.

Surveyor Lucien H. Raymond. jr. told the board that the land use map, which will be a part of the zoning ordinance when it is edopted, was unsuitable because if was not sufficiently accurate in detail. Rarlier he had contended the planning commission that the map should be detailed as to meets and bounds, Mayor John A. Scafide said council had looked into that matter and that the GRAP Was sufficient.

Fartune Moves to MTO office Care, William C. Forme

USN, manager of NASA's Missis-stept Testing Operations, moved ton his office at Gainesville yesterday, Since being named mager of MTO, Fortune has been holding down two offices one at the George C. Marthall Space Flight Center in Huntaville, Ala, and the other here.

Foreme moved his wife, Ritzabeth, and daughter, Laurie, 19, into their home at 27 Barkley Manor, Pass Christian, and began his duties at the site. His first official duty was to perticipate in the 15th annual Mississippi Deep Sea Fishing Rodeo in Gulfport yesterday. The rodeo was dedicated to NASA and Fortwo accepted the dedication.

HNC bleachers ...

(Cont. from Page L) emphasized beautification of the grounds contributed to a good environment which in turn pays off in education. He estimated suitable equipment might be bid in at \$1,400, Ortto suggested in could serve all three county schools since he presently lends his mover to Gulfvic so

Teacher housing need was raised by Trustee Lugis Necaise ef Best 3 who commented North Central needed one more or less house now with two coaches. Penton said he is keeping in close touch with Mississippi Test Operations about houses up for sale on its property. County Seperintendent K. G. McCarty suggested some other sources.

More leaking roof problems et the school were reported by Penton who said behopes repairs can be completed in the week. He noted the expansion joist installed in the gymnasium roof as recommended by Dalton B. Shourds, architect, had stopped that leak for a while but another much worse one had developed. A representative of Reliable

Pest Control of Picayune appeared to ask the board's business and was referred to the Gulfview and Logtown School principals since North Central does its own spraying. The discussion prompted Lamar Lee of Beat 2 to complain about principals not attending the first monthly meeting as requested by the board, observing that in the six month he has been a member he h neverseen the Logtown chief.

Presentation of bills was held until the next meeting, set for 2 p.m. next Thursday, as only those from North Central had been filed Monday, and McCarty said he hoped to have the 1963-64 budges

ready then also. Vice president S. P. Powell, Best 4 trustee, presided in the absence of Charles B. Murphy.

Ladner appeal ... (Cont. from Page L)

NANCY

Contrary to old folks' talk, the mejority of the medigatest are Moonlight race local Mississippi insects, not imports from Louisians, They say mosquitos can't travel over 20 miles. To prove this they maded out into two local sweeps and found the eggs on the nest; They Set TOT TOTUTE even predicted more than a week age the present blight, flut most important of all they say they can be supped, How? By cosperation. The experts strongly recommend a joint eradication program by all of the communities around the NASA test site, This has to be

mosquito infestation participating or it won't be effective. NASA is determined to do its part and from all indication the counties surrounding the test site, Hancock, Harrison. Jackson and Pearl River, are interested. The experts further say that the program can't be haphazard, it has to be a continuing year-ground erganized effort. The counties can levy tax to fight the mosquitos. So, you can start alapping again now. This time with hope that help is soon coming.

an area-wide effort they say, with all of the countles involved in

ENTERS COMPETITION - Hancock County Soil Conservetion district supervisors discuss competition for the 17th annual Goodyear contest to select the nation's top 52 conservation disprices. Supervisors include Otho Rester, Firzhugh Lee, and W. J. Pippin, Route 3, Picayung Cornalius Favre, Kiln, and Frank Shave. Perkinston

'63 assessments ...

(Cont. from Page L) larly in Beats 3 and 4, appears to be the result of the ocross the board equalization board raise voted by the supervisors (\$58855Ment noted last fall for timber and marsh lands as they sought to keep intact the tax structure of the county in spite of NASA and demands for expanded services.

Among the supervisory beats, Beat 3 led the way with a hike in real and personal property roles of \$77,870 for a total of \$404,925 or 24 per cent. Best was next at 16 per cent, up \$159,680 to \$1,137,260. Beat 4 followed with a 14 per cent gain with \$135,910 additional to give ie \$1,091,675.

ed by better than \$1/2 million but it showed only an eight per cent gain-with \$552,684 to \$7,387,047, almost half that of the entire county. Sole loser was Beat 2, down .4 per cent with a \$2,058 loss for a total of \$457,825.

Heitzmann also furnished a breakdown on personal property figures: Beat 1, \$54,985 or \$1,550 loss: Beat 2, \$12,385 or \$150 increase: Beat 3, \$5,625, \$75 loss; Best 4, \$7,270 with \$54,775 loss since Kiln Road construction equipment has moved out, and

Mer Cent doin ley's 14.

Makeland's

Assessments totaling \$2,586,140 on real property were on the Waveland tax rolls turned over to Town Council Tuesday night by Tax Assessor C. O. Defour. The rolls will be open for public inspection for the rest of the month and at its August meeting the board will consider cay objections that are filed in writing

The 1963 pasessment shows a \$103,195, or four per cent, increase over the previous year when the figure was \$2,482,945. follows: 1st Ward, \$396,935, up \$8,050 or two percent; 2nd Ward, \$799, 280, up \$30,320 or four per cent; 3rd Ward, \$1,129,320, up \$46,580 or four per cent; and 4th Ward, \$260,605, up \$18,240 or seven per cent.

AT 100 MEN'S HALL Chicken dinner will be served

at 100 Men's Hall starting at noon Saturday as a benefit for Mrs. Lilke Mae Price.

DORIS DAY IN THE BIG MUSICAL OF '63!

Annual Mississippi Coast Yachting Assn. Rece Week will come to a close for local bosts Senday with a special "moonlight race", second of the season, from Pass Christian to Bay St. Louis. The race will begin at 7 p.m. and end one of the year's biggest regattas, this year hosted by Pass Christian Yacht Club. The schedule of overen was emounced last week.

Bill Reeves warmed to far Rece Week with reo victorico in the expert division last weekcard or Bay-Waveland as the summer compaign reached the balfway point. Resvee edged Horry Chapman in the opening roce, then wan the second with Roy Stieffel renner-co.

Bay Chamberlain con the lone Class A rece sailed, with Judy Resves in second slot, Lan Adoms continued the junior rece, cheed of Miles Lemab.

BWYC fich chairman Dick Resver announced the Lipton Standings in the expert division through the first half of the seccon, and Baril Kennedy continues to lead the pack. Bill Water in second, followed by Bill Resven, Walter Chamberlate, Bob Bob, Don Chemberlein, Harry Chapman, Chuck Breath, Dick Resves, and Berr Quigley, rounding our gree 1000 10000°

On top in the Class A standings at this point is Bay Charaberlain. Mike Lamb is leading the juniors with Los Adams second.

Woody Salefiel is infirm in crew prophy standings, based on nations accumulated while crewing in various roces. Stieffel's 22 points is followed by Judy Reeved 16 and Maurean Quig-

The Bay-Waveland fleet left yesterday ofternoon for Pass Christian where they'll remain until Sunday. There are no regularly scheduled fish class races for this weekend.

lowis J. Jacobi

Funeral services were Monday for Louis John Jacobi, 88, 138 Main St., who died at his residence June 30 after a long illness. He moved from Waveland to the Bay 23 years ago. He was a retired baker and member of Woodman of the World He Tong a native of Ger-

158 YEARS OF ACCIDENT-FREE PERFOR MANCE - These eight men represent local offices within Mississippi Power Co.'s Gulfport division which have recorded an aggregate of 158 years of accident-free work, qualifying for covered Safety Performance Award of the Southeastern Electric Exchange, Atlanta, Ga. Certificates were presented to local managers by F. C. C. Brash, Gulfport division manager. Managers, from left, with number of years without a loss-time accident, are: A. H. Gregory, Bay St. Louis, 24 years; J. E. Stone, Pascagoula, 23 years; Lee Jordan, Ocean Springs, 37 years; Wallace Chapman, Biloxi, 15 years; T. B. McDonald, Pass Christian, 37 years; Cyril Slyfield, Moss Point, 14 years; Max Jobe, Wiggins, eight years.

Mrs. McDonald talks on work of pink ladies

Mrs. C. C. McDonald spoke on various duties of the Pink Ladies and the image they give the public at the July meeting of the Hancock General Hospital auxiliary Monday with Mrs. Ben Hille presiding. She emphasized the relationship of their work to smooth functioning of the hospital and the satisfaction of helping persons in need.

A delegation will attend the state hospital association's anmual meeting July 15-16 at the Buena Vista Hotel in Biloxi. Transportation and reservations for the luncheon may be secured by calling Mrs. Hille at 7-6497. The auxiliary scrapbook, compiled by Miss Henrietta Mohr. will be presented for judging.

Mrs. Charles Jackson, newcomer to the Bay, was welcomed as a new member. Mrs. Wallace Chevis, sewing chairman, announced her committee will meet July 25 in the conference room. It was noted that morning visiting hours have been discontinued and notices to that effect posted on the door of both reception

Terry Markel paces Bay junior bowlers

Rolling a 2182 scratch series, Bay St. Louis's junior house team won three of four points from Gulf Park Lanes 2 Sunday in opening-day play of the new Gulf Coast Junior Traveling Bowling League at Gulfport

Terry Markel scored a 481 three-game series to pace the local team. John Shattuck tailied 468, Mike Poindexter 435, Peggy Givens 403, and Jeanne Necaise

second high in the league for the arst week's play. Next Sunday, duly 14, action will take place

Lauck Breath wins Sears elimination

Chuck Breath won three of six races to capture Bay-Waveland Yacht Club's annual Sears eliminations concluded Tuesday.

Breath scored 31 3/4 points to best Judy Reeves' 24 1/4. Others who took part and scores ware Walter Chamberlain 231/2 Basil Kennedy 23, Mike Poindexter 17, and Billy Bosworth

Breath will now represent the local club in the Sears western district eliminations here July 13-14

Charley Tarravoulle circled the bases after a single and threebase error in the 10th inning Wednesday night to break open a thrilling softball game and give Southern Realty a well-earned 11-10 victory over Trapani Knock-Knock in the 'bottle of giants" for first place in the Bay Softball League, In another good contest, Reinike edged CYO 9-8 Wednesday to take over shird

Southern Realty grabbed what expeared to be an insurmountable edventage with seven runs in the first three innings, and were on top 8-2 entering the sixth inning. Before the smoke cleared, the Treps had broken loose with eight hits and seven runs and taken the lead, Trapani increased the margin to 10-6 in the seventh but then it was Southern Realty's turn to come back in their final bat. Tartavoulle, biggest hero in a game filled with heroes, drilled a single to score two runners,

Billy Osborne, Al Ladner took the loss. Dusty Rhodes sparked CYO with two singles, a home run and run-scoring sacrifice fly. LEGAL NOTICES LEGAL NOTICES TO THE FUBde the count, and send the con-LIC AND THE TAXPAYERS OF test into extra inmings. WAVELAND, HANCOCK Jimmy Ryan and Herman Yarborough singled for the Trees in COUNTY MISSISSIPPI. You are hereby modified that the Real Property assessment rells of the Town of Waveland, Mississippi for the year 1963,

the top of the eighth, and after two were down Billy Murphy rifled a single to center where Tarravoulle made a beautiful throw to catcher Jimmy Larroux at the plate nabbing Ryan by an inch, in the last half of the inning, Don Caldwell singled and Ronnie Artiques walked for Southern Realty with no one down and the meat of the batting order up. Bill Watts blasted a screaming line drive right into the glove of the baseman. W. J. comeron then drilled one like a bullet but Staight at the second-sector. Wilmer Seymour came through with a line single to center, but once again the unbelievable happened when Lolla Parker made the pickup and fired to catcher Billy Breland at the plate to nip Caldwell by a hair and keep the game alive.

Both clubs went down in order in the ninth and the Traps were redred one-two-dures in the tenth before Tarravoulle led off with a single to center which went durough the Trapani team for a four-bagger.

lestrumental in the Southern Realty scoring attack were three singles by Tartavoulle, and two each by J. T. Ledner and James Clayton Adams bit the

Constitution of the second

The time has come for a decinion! We den't like to complain, ust we feel the time less definitely come when someting must be dince at: City Bell Park about the local Pony League, We're going to die one tiling, we receily do, fine at the players, and we hope the lays are off-manging incomes constructive criticism when they see it. There's bear late of talk about holding players in the Pony League but only now do we see one main reason for the player shortage.

Chity one mean, Youth Conter, fields a men for the most part with fall unfibrace. How many beys could get interested in a league when tiegs rum around with skirmals langing down, and even wearing elleris on swimming truster? Maybe everyticily doesn't have a compliane matforms, but at least those could try to look acceptable. And then, again, how many hoys went to play in games where surefibe lione runs are turned into singles and doubles when unorganized scouns: of other: buys playing in the outfield may long-hit balls bank Mangling? Deer that indice others to wants jain in larges? Way and play on street corners?

At present, it seems to us that species are specifing many to suggest the used on something clse worthshile unless playing long to approach the dielir likegoe and some changes are made.

We hallere Bay St. Louis on and should have a Pery League - w becaw there are people willing to work with boys who really were to play beschill as itsicald be played. We recommend that each team intercommittee of two players, and that those players mast with appoint a committee of two players, and that these players meet with all Parks and Playgrounds Commission members, all bague sporsors and managers, and come to an immediate decision regarding the Pury Beagas's fixure, Leaft cities get organized and play under societ rather with professiones and managers, or loss call it quite!

Fishing, gelfing, griping

R. J. Anomorou, recordly back from Kenneths, William have be and Mis. Arconomic visited their con-in-law and designer, reparts In women's softball quite a finding trip in the wilds of Canada, With several compeniors, her camped on Gedar Lake near Red Lake over 800 miles much of Memorius and natibed plenty of Northern Pile, Welleye, Barr and Parch. There's plenty of time for firsting as duck doesn't fell until almost middight, Mr. Aromenus also in maint beans comes show of deer, mosse and wild decies.

Well, golf's biggest ster of recent years, Arredd Polimer, has really discovered the secret of secoses. Palmer found himself tired during the middle of May and decided to guit the business for a full month. Armie resurced three waste ogo and has that for first in three straight trumements, was too in playelle, and collected about

Minute this weeks beedling chould be "Completer Department". has we have one more gripe. To our understanding the local man's softball. League is supposed to be for the firm and repression of the townspeople. One team to playing just a little too herd - sure, play to win but not at the expense of other men.

HOT ABOUT THIS ONE - BE Johnson and John Salam cal provide display this 105 good gar find they completeler a two-law bands with the beast. They wast small hand lives and ou curing for him or their countries of the relieved bridge.

District Atterney

TO THE PEOPLE OF THE STOTED JUDICIAL DISTRICT OF

I the this operation to make my formed conservation a creditate for re-classics to the Office of the District Automory for the Second Judicial District of Mississippi, embject to the Damocreate Primary on August 6. In dring so I lay before the people of this District the record of service that I have made, both as a memher of the Legislature from Stone County from 1947 to 1953, and in the last ten and one-half years, as your District Amorney, This record includes the handling of nearly 4,000 falony cases involving the more serious crimes, many of which were appealed to the Mississing Supreme Court and some to the United States Supreme Court. The records of the Courts in the Counties of this District will reveal that I have vigorously devoted myself to the dities of the District Attorney's Office, While our population has shown a great increase, and while serious crimes have shown a steady increase direnghent the rest of the nation, this District has been the exception and enjoys a declining rate of serious crime. This has been true, even though we have seen great economic changes and even though en are situated on the arterial flow of human traffic from Hest to West in the United States, I believe that these facts are evidence that a corony and experienced District Attorney is the best safeguard egainst the underworld and the so-called professional criminal.

You becomed me in 1953 with the Office of District Attenney, and re-elected me in 1955 and 1959, the latter term without opposition. Many new faces and new citizens appear in our District in this campaign for the first time. For the benefit of those new citizens who may not have been here in other campaigns I submit this brief biographical background, I am now 39 years of age, having been bern and reared in Stone County, Mississippi, the son of Mr., and Mrs. W. Clifford Holleman and the grandson of Jesse Holleman My family has been closely associated with the History of the Gulf Coast, Moody Holleman, my great-great grandfather, settled in the sestern part of Hancock County after fighting with Andrew Jackson in the War of 1812 at New Orleans, and his son, Jerimiah Holleman, my great grandfather, was born in 1824 in Hancock County. Both of these early pioneers of this Section are buried at the Gainsville Cemetery in Hancock County, where in our day and time the NASA Space Project will cover their graves and the land they helped to develop. My grandfather was born in Hancock County and later moved to North Harrison County, which later became Stone County, and the after we dite obtain weal I areale bus much east. I areale children

I attended Wiggins High School, Perkinston Junior College, The University of Mississippi, and received my B. A. and L.L.B. Degree from Ole Miss. During World War II, lentered the United States Navy as a Seaman 2-C, trained as an aviation cadet, flew as a naval aviator on an aircraft carrier in combat in the South Pacific, and was retired with the rank of Lt. Commander for disability suffered when my nime was shot down in the invasion of Sainen.

It was my privilege to be elected to the Mississippi Legislature in 1947; I served there as State Representative until 1953, when I was appointed District Attorney for the first time by Governor Hugh White and have been re-elected three times since that original nonatament.

The responsibilities of the District Attorney's Office are tremendous. Day by day decisions must be made by the man who occupies this cifice that affect the life and liberty of not only the individual charged with crime, but also all of us who have a right to the purcult of happiness without interference by those who would violate the commandances of God and the laws of man, in these critical direct their there in to much current and disturbance, the decisions that the District America must make have become more serious in natura, and the consequences of a had decision more terrible than ever before. In 1960 I caked the Legislature to give us an Assistant District Amorney because in addition to the prosecution of criminal cases, the Legislature placed upon my office the responsibilities of the Uniform Reciprocal Enforcement of Support Act. In Harrison County along to have had come 376 among come which have some to other Same, reserving to describe different bere mades from the first the material and make to see the first to the people of this Diamics on this effort allow would invaled consist bandred descent delices and would justify the total capacity becomed in my office.

la 1960 I candiared Clyde O. Humbert of Gulipant, Mischeshapi the Acadesian Dissolut America, I can proved of the record that this years men has meds in this respectable position. I have never been والأرجيم والأبدي والماسي المساور والماس والماسي الماسي commended of the imperior.

It has been a great privilege to be considered with the County Attanto of this District. Their aid and assistance has been a point of the ornal crosses of our custod office seedest orders. Green He Herrison County Processing American of Harrison County, has han of investmentale continues to use and I am happy that he was re-decided without opposition, he Jamery of 1963, because of the treatments growth of the cases, George and Jackson counties were reserved from this District and pisced in a new District Incom as the Ninescenth Judicial District. I shall miss the opportunity to compaign among these people, I feel, however, a warm sense of accomplishment in that when leaving that District the people expressed a confidence in the record I had made as their District. Amorney and in my leadership by electing one of my County Astorneys, the Hosorable Darwin Mr. Maples, the new Circuit Judge of that District, and the other County Attorney, Donald W. Cumbest, the new District Attorney.

The people of this District have been good to me, to my wife,

and to my five children. We have grown together and we have worked together. You have honored me and I have attempted to return this honor by keeping the promines I made you when I began my deties. nearly, 12 years ago. That promine was to be the type of District.
Attorney who is not for sale and who could not be hought. That promise stands inday unarmished and unstained, and the trust which you have placed in my hands is an auto-today as it was when you. gave it to me, I wish to command the jurous of this District, without whose help our fight wealth have been in well. If this objection could be decided by having all the jurous with whom like the terms ratire to a jury room somewhere and cast a ballet. I would be be

On August 6th you will hire a lawyer to represent your faintening in the courtrooms day by day during the namedian young, failing to you my experience, qualifications, and desire to marrie for that On August 6th you will hire a lawyer to negation

It is with a granulal bases that I correctly audicity your support and influence in the Democratic Paintary on August &
